COMMANDING OFFICER NOTICE — ANNUAL RENEWAL

IMPORTANT: Cadets with expired memberships or IDs may not participate in drill or other Sea Cadet activities under NHQ regulations. Cadets arriving with expired IDs will be sent home.

Please begin renewal early to allow time for updated documentation, unit approval, payment, and NHQ processing. ID cards are produced by NHQ and may take 1–2 weeks to process.

UPDATED NHQ RENEWAL PROCESS

1. Parent or guardian initiates renewal in the Parent Portal by selecting “Renew.”
2. Review and update cadet information, forms, and supporting documentation.
3. Submit materials to the unit for review and approval.
4. After unit approval, NHQ emails the parent a payment link for the \$125 national renewal fee.
5. Pay the separate unit fee using cash, check payable to Battleship Utah, or Venmo @Battleship_Utah.

CURRENT FEE SUMMARY

CATEGORY	NHQ FEE	UNIT FEE	TOTAL
Annual renewal	\$125	\$100	\$225
New enrollment	\$125	\$150	\$275

The source POM contains both an older \$50 unit-fee statement and updated \$100 renewal totals; this redesign uses the updated \$100 amount shown in its fee summary.

UNIT FEE UPDATE AND FAMILY ASSISTANCE

Operating and program costs have increased. Our goal is to continue offering meaningful training, activities, and opportunities while keeping the program accessible to families.

We understand that higher fees may create challenges. If your family needs assistance, please contact the Admin Officer, Commanding Officer, or Executive Officer privately to discuss available options.

If you have already submitted renewal paperwork or paid fees, please contact the unit to confirm everything has been processed correctly under the updated NHQ procedure.

ADVANCEMENT INFORMATION

Parents and cadets should regularly review the Parent Portal to keep enrollment, Physical Readiness Test (PRT), Polaris coursework, exams, and training information current.

Cadets are responsible for tracking and completing their required coursework, testing, and training. Keeping requirements current reduces promotion delays and protects eligibility for training opportunities.

In the status chart below, RED indicates a missing requirement.
